

Open Days Schedule 2021

Last updated on May 7, 2021

We're delighted to resume Open Days garden visiting in Charleston, SC, with the return of the Spoleto Festival on May 26, and in other states beginning in early June. For everyone's safety, please remember to wear masks and maintain social distancing at all Open Days events. Pre-registration is also required; paper tickets, cash, and checks will not be accepted on site at the gardens. Registrations for Open Days in Charleston should be made online at spoletousa.org; all others must be made on gardenconservancy.org. If you are unable to book online, please call us at 845.424.6500, M-F, 9-5 Eastern, to make your reservation.

The list of 2021 Open Day gardens below is organized by state, then county, then date. The information was last updated on May 7, 2021, and is subject to change. Please check our website calendar for the latest information.

Big Changes for Open Days!

A New Look for Garden Visiting

We are thrilled to be able to welcome you back for our 26th season of garden visiting! A limited number of Open Days events are planned across the country, beginning on May 26 in Charleston, SC, with our partnership with the Spoleto Festival USA and Charleston Horticultural Society.

We remain committed to providing access to some of America's most creative and phenomenal gardens through Open Days. In order to do that safely, in light of the pandemic, we've made several big changes and enhancements to the program this year.

Please read the information below carefully, as it is intended to ensure a safe, contactless, paperless, and seamless garden visiting experience for our guests as well as our generous garden hosts.

- **Pre-registration is REQUIRED** for all 2021 Open Days, Digging Deeper, and Garden Masters Series programs.
- **Online registration** should be done on our website, gardenconservancy.org.
- **Masks are required and social distancing** is expected at ALL in-person events.
- **Paper tickets, cash, and checks will not be accepted** on-site at Open Days gardens.

We are developing an online registration system, which will go live in May, prior to the beginning of the Open Days season. Please keep an eye on your email for the most up-to-date registration information from us.

Our goal for the new electronic registration system is to make signing up easy!

- We will create **online accounts** for everyone — member or nonmember — who has purchased paper tickets online from us since 2018. Using your email address, you will be able to access your account on our website.
- Send your previously purchased paper tickets by July 1 to the Garden Conservancy, PO Box 608, Garrison, NY 10524, and we will convert them to **online credits**. Please be sure to include your name, address, and email address.
- Online credits will be **redeemable for Open Days AND our virtual programs!**
- We will also convert **complimentary member passes** for 2020 and 2021 into online credits that will be added to your account. You can also use these complimentary member credits to register for Open Days and for our virtual programs. The process is being designed to be simple and straightforward!
- **Members will continue to receive a discount** on registrations for all Garden Conservancy events and a 50% discount on Open Days.

Important updates on the new electronic system will be coming from us to your email inbox. Please also visit gardenconservancy.org for answers to many of your questions about these changes; we will keep the information on the website as current as possible. To remain flexible in our scheduling as the pandemic evolves, we are not printing an *Open Days Directory* in 2021.

Thank you so much for being a part of Open Days! We look forward to seeing you in the garden!
